

# Emotion Focused Therapy for Youth (EFT-Y)

## MINI WORKSHOP: Working with Play and Creative Materials in EFT-Y

**Drs. Erik Peeters (MSc)  
EFT-I and EFT-Y Trainer**

- Drs. Peeters is a Clinical Psychologist and person-centered experiential psychotherapist based in the Netherlands.
- He works in private practice, a day-treatment centre for youth, and training institute for postgraduate psychologists

### TRAINING AIM

- Broaden knowledge about the functions of play and neurobiological foundations
- Understand how EFT-Y tasks can be adapted for youngsters by making use of play and creative working methods
- Broaden EFT-Y skills by making use of play and creative working methods

**Date: Fri, March 6 2026  
15:00–18:30 (CET)  
9am–12:30 pm (EST)**

**Cost: \$99 per person**

### Learning Objectives

- Broaden knowledge and skills by making use of play and creative working methods in EFT-Y
- Practical adaptions of tasks in EFT-Y for youngsters who are 'allergic' for chairs
- Experience the power of play and creative working methods
